Welcome to the Nevada Health CO-OP Provider Directory!

This directory lists the health care providers (such as doctors, pharmacies, clinics, chiropractors, and hospitals) that you can use for your benefits. Our provider network is designed to provide excellent and affordable care.

Please note that some providers listed in these directories may not be currently accepting new patients. In addition, please note that some benefits plans require you obtain a referral from your Primary Care Physician before receiving specialty care and that your benefit plan may not cover all the types of providers listed or all the services they offer.

If you need help selecting a provider or want more information regarding the benefits you are entitled to, please call us at **702-823-COOP or toll-free at 1-855-606-COOP (TTY 711)**.
