## Pharmacy Information

Filling a Prescription:

- Take your Medical/Prescription ID card with you each time you get a prescription.
- You should also be prepared to show other photo identification.
- The Pharmacist will use generic drugs rather than brand drugs whenever possible, unless your doctor specifically requests a brand drug. If you or your doctor request a brand drug when a generic drug is available, you are responsible for the difference in cost between the generic drug and the pharmacy's usual retail price for the brand name drug.
- You need to use a network pharmacy to get your prescriptions at the copay cost. There are several large pharmacy chains within our networks.
- If you are traveling and need a prescription filled out of town, contact Catalyst Rx at 1-855-897-0304 to find an in-network pharmacy in your city.

**We cover most prescriptions prescribed by a doctor. For a full list of prescriptions we cover or pharmacies that are in our networks, go to MyPlan on our website.**

Although we update our pharmacy listings on an ongoing basis, on our website, it is a good habit to call our CO-OP Care Crew at 702-823-COOP or toll-free at 1-855-606-COOP (TTY at 711) and ask if a pharmacy is in our networks before filling prescriptions or if a prescription medication is covered.

CO-OP Care Crew hours are Monday through Friday, 8 a.m. to 6 p.m. PST.

## Información de Farmacia

Surtido de una Receta:

- Lleve siempre su tarjeta Médica/de Recetas de identificación cuando vaya a surtir una receta.
- También debe estar preparado a mostrar otra identificación con fotografía.
- El farmacéutico usará medicinas genéricas en vez de las de marca siempre que sea posible, al menos que su doctor solicite específicamente una medicina de marca. Si usted o su doctor solicitan una medicina de marca cuando hay disponible una medicina genérica, usted es responsable por la diferencia del costo entre la medicina genérica y el precio regular de la farmacia de la medicina de marca.
- Usted necesita usar una farmacia de la red para obtener sus recetas al costo del co-pago. Hay varias cadenas grandes de farmacias en nuestra red.
- Si usted se encuentra de viaje y necesita surtir una receta fuera de la ciudad, comuníquese con Catalyst Rx al 1-855-897-0304 para encontrar una farmacia.

**Cubrimos la mayoría de las recetas prescritas por un médico. Para una lista completa de recetas que cubrimos o farmacias que se encuentran en nuestras redes, vaya a MiPlan en nuestro sitio web.**

Aunque actualizamos nuestros directorios con regularidad, es un buen hábito llamar a nuestro Personal de Cuidados CO-OP al 702-823-COOP o libre de cargo al 1-855-606-COOP (TTY (sordos) al 711) y preguntar si una farmacia está en nuestra red antes de surtir recetas o si una medicina recetada está cubierta.

El horario del Personal de Cuidados CO-OP es de lunes a viernes, 8 a.m. a 6 p.m. PST.
