Welcome to the Nevada Health CO-OP Provider Directory!

This directory lists the health care providers (such as doctors, pharmacies, clinics, chiropractors, and hospitals) that you can use for your benefits. Our provider network is designed to provide excellent and affordable care.

We cannot guarantee that a particular health care provider will remain a network provider throughout the term of your enrollment. In the event a particular provider you are familiar with is no longer considered a network provider, you may call us at **702-823-COOP** for any questions you may have.

Please note that some providers listed in these directories may not be currently accepting new patients. In addition, please note that some benefits plans require you obtain a referral from your Primary Care Physician before receiving specialty care and that your benefit plan may not cover all the types of providers listed or all the services they offer.

If you need help selecting a provider or want more information regarding the benefits you are entitled to, please call us at **702-823-COOP**.

¡Bienvenidos al Directorio de Proveedores del Nevada Health CO-OP!

Este directorio muestra la lista de proveedores de servicios médicos (como los doctores, farmacias, clínicas, quiroprácticos, y hospitales) que usted puede usar dentro de sus beneficios. Nuestra red de proveedores está diseñada para proveer cuidados excelentes y asequibles.

Nosotros no podemos garantizar que un proveedor en particular permanezca durante su periodo de inscripción. En el caso de que un proveedor en particular, conocido por usted ya no sea parte de la red, usted nos puede llamar al **702-823-COOP** si tiene alguna pregunta.

Por favor tome nota que algunos de los proveedores en el directorio puede que no acepten nuevos pacientes. Además, algunos de los planes requieren que usted obtenga un referido de su Médico Primario antes de visitar a un especialista. También puede que su plan de salud no cubra todos los tipos de proveedores dentro del directorio o todos los servicios ofrecidos.

Si necesita ayuda para escoger un proveedor o necesita más información sobre los beneficios que tiene derecho a, por favor llámenos al **702-823-COOP**.

Nota: Tratamos de asegurar que este directorio sea correcto. Sin embargo, debido a cambios que pueden suceder de vez en cuando, por favor confirme la participación de su proveedor con nosotros antes de cada visita. Nos puede llamar al **702-823-COOP** para confirmar que su proveedor continua en nuestra red.
